**To Town Tax-Payers.**  
Town taxes were due on December 1, but the City Council has given me until Dec. 15th in which to make my settlement. All taxes not paid by that day, will be returned to the Council as delinquents, and advertised, according to law. You will save expense by paying before the 15th. I can be found at Judge Hemphill's office. dec-4-11 S. D. Rothwell.

We also propose to carry in stock rough and dressed Lumber, Shingles, Etc. Call and get our prices. 12-12 T. H. Lee & Leavel.

**To Temperance People.**

## Items of Local Interest.

Snow packed around the town clock hands and that useful timepiece was out of service for a few days. The hands ought to be covered, as this trouble comes every winter.

**Still They Come.**  
Another long communication was sent this office yesterday, bearing no signature. It seems impossible to convince the public that unsigned articles are fired into the waste basket.

**Still Digging.**  
The drill is still being sent down at the artesian well, and a depth of nearly 950 feet has been reached. Still no sign of water, but the driller is as confident as ever.

Wm. Moss, Jr., has bought the meat and grocery store of J. F. Adams, and will continue the business at the old stand. Mr. Adams requests The Record to thank his friends and customers for past favors.

During the recent snow and sleet, three pretty girls slipped at Storms' corner, and fell pell-mell into the snow. A Record man, who happened to be at the window, says the display of hosiery was fine.

Circuit Court convened again Tuesday, and a lot of business of interest only to those concerned attended. Judge McRoberts is giving general satisfaction, as his rulings are prompt and to the point.

**Newspaper Man A Candidate.**  
Jesse M. Alverson, of the Stanford Interior Journal, has announced as a candidate for representative in Lincoln county. Mr. Alverson, beside being a mighty clever man, has been a wheel-hoss in his party, always working with the boys in the trenches and never asking for office before.

**It Could be Stopped.**  
It is hoped the Council will take special steps toward preventing the shooting of bombs on the streets Christmas. Last year, several narrow escapes were made, one of the bombs thrown on Danville street breaking several windows in this office, and another narrowly missing J. Joseph. It is generally understood who does this and that they come from the roofs of stores, so why not gather in a few roofers? Put on enough policemen to stop it. One officer cannot be all over town at the same time.

**Time For Mails.**  
We were mistaken in saying that the last mail for the Cincinnati train [No. 10] was made up at 7:45 p. m. Postmaster West tells us he makes up this mail at 4:45 in the morning. He makes up pouch for south bound evening train (No. 11) at 7:45 p. m. So a letter placed in the post office box at any time after supper will be made up for the Cincinnati train next morning at 4:45. This is an unearthly hour to punch Bro. West off the roost, but being one of Uncle Sam's most faithful and accommodating employees, he is always at his post.

**A Divided Delegation.**  
The democratic precinct conventions were held Saturday and delegations selected to the county convention, which was called for Lancaster Monday. As some question had arisen, two conventions were held Monday and two delegations selected to the Danville meeting Wednesday. To go into detail would require more space than we can give, and as each side claims to be in the right, the less said is probably the best.

**Judge Burnside Appointed.**  
Judge R. A. Burnside, of this city, has been appointed special Revenue Agent in Kentucky, the place held by Gen. Collier. Judge Burnside was ordered to report to Agent Thrasher, at Louisville, and as yet don't know where he will be assigned. The duties call him all over the state, and he will probably spend most of the time in Louisville. Judge Burnside has been a hard worker for his party in this county and certainly deserves a good berth.

**Old Santa Here.**  
The merchants have brought on a nice line of Christmas goods, and we advise you to consult our advertising columns before coming to town. The fact that a merchant spends money for space in the paper is conclusive proof that he has something worth calling your attention to, and wants to sell it. The old fogey saying "Advertising don't pay," is only used by a few people these days, and is just as absurd as ever.

**The City Assessment.**  
Judge M. D. Hughes has completed the work of taking the town list, and delivered the books to the Council. He tells The Record the taxable property in town amounts to \$872,041. There was a loss of \$15,000 by fire, \$15,000 in "other losses," which means in plain English, that much sent out of town in speculations, and other tomfoolery. After overcoming this loss, Mr. Hughes found enough property to increase the amount \$32,000 over previous assessment. He dug out and listed a lot of stocks and other property which people had failed to give in on other lists, and the Council owes him a vote of thanks for the good work.

Katharine Eggleston tonight.

"They say" some big money changed hands in bets on Saturday's convention.

Don't forget that this (Thursday) evening is the date for Miss Katharine Eggleston, at court house. She is the best reader on the platform, and you will regret missing her tonight.

**Few Days Left.**  
We are asked to call especial attention to the notice of S. D. Rothwell, city tax collector, in another column. Mr. Rothwell has given the people ample notice, and no one will have any kick coming when their property is advertised for sale.

**Out to the Streets.**  
The above pretty drama will be presented in the Opera House at Kirksville Saturday, the 27th. There are ten people in the cast, and much hard work is being done on rehearsals. The play is a fine one, and the people will doubtless turn out in large numbers to see it. Remember the date, December 27.

**Good Connection to Louisville.**  
The Bastin Telephone Company now has a splendid connection with Louisville. The independent company there has several thousand phones, and you can talk to most any prominent business man or firm direct from your own house. The rates are reasonable, and the service cannot be surpassed.

**A \$30,000 Cattle Deal.**  
The largest deal in live stock ever made in the Burgin region was closed last week when James W. Redford and Jake Hugely, wealthy farmers, sold 210 head of export cattle to Simon Weil, of Chicago, at \$5.60 per hundred the cattle ranging about 1,800 pounds. The deal represented about \$30,000.

**Popular Fad.**  
It is quite a fad now for the young folk to give bowling parties. The Lancaster Alleys can be rented for an evening, and none but your party is admitted. The young ladies are becoming very fond of the game, and it is quite a healthful pastime. See Dave Ross, and he will reserve the alleys any time you want them.

**Splendid Meeting.**  
The protracted meeting at the Presbyterian church began Wednesday night, and large congregations have been present at each service. The Rev. Mr. Akers, an old schoolmate of Bro. Chumbley's, is assisting in the meeting, and an able discourse is given at each service. The time is 2:30 in afternoon and 7 in the evening. We are requested to say that everybody is invited, and cordially asked to attend these services. Go, and you will hear something that will do you good.

Joseph has some beautiful handkerchiefs, suitable for Christmas presents.

We receive the newest music each month. 15c cash for introductory numbers, all duplicates 25c at Thompson's.

Someone exchanged buggy cushions with Sheriff "Billy" Lawson at Sweeney's Stable. He is willing to swap back, if the other fellow is.

Why waste your money on some useless article, when you can go to Joseph's and select a pair of fine shoes, a nice dress or some other useful article for a Christmas present? Give something that will be appreciated and useful. Remember the place to buy the best goods for the least money is J. Joseph's.

**Will Preach at Hubble.**  
Rev. S. W. Cooke, missionary to West Africa, will preach at Hubble Christian church Sunday morning and night, the 14th.

**Bad Service.**  
The mail clerk on No's. 10 and 11 is either compelled to do an over share of work, or is as stupid as a dunce. Our papers have been scattered to the four winds lately. Last week a representative of this paper saw a bundle of "single wrappers," addressed to other states, lying in the post office at Silver Creek. We pay Uncle Sam more postage than any other institution in town, and if we can't get good service, it's a mighty easy matter to get our friend, Congressman Gilbert to rank up some of the gimblet-headed officials. They think they own the earth, when dealing with the public, but when a congressman pokes his nose in, they find they are small potatoes.

**Two Sets Of Candidates.**  
Nearly every prominent democrat in this section of the state attended the district convention at Danville Wednesday. As we understand the proceedings, they were, briefly stated, as follows: Chairman Warren had resigned, and Mr. Burch, of Lincoln was selected. He called the convention to order, and after considerable wrangling, the Sauley side adjourned until 7 p. m. The other delegates remained in session, electing Judge Roach, of Mercer, chairman, and Hon. "Con" Belf, of Mercer, was nominated for circuit judge and Hon. Chas. Hardin, also of Mercer, named for commonwealth's attorney. Just as this convention adjourned, the Sauley men came into the court house at the appointed hour and held a convention nominating Hon. M. C. Sauley for judge and J. S. Owsley for attorney. Both "wings" claim the nomination, and unless some agreement is reached, it will be up to the state committee to settle the matter, either by declaring the nominee or ordering a primary election.
